RE: {{election_name}} — mail ballot {{ballot_id}} requires your signature

ACTION NEEDED: YOUR MAIL BALLOT HAS NOT BEEN COUNTED YET

Dear {{recipient_name}},

Your mail ballot was received, but it cannot be counted until you act. The deadline is {{cure_deadline}}.

Our records show that your ballot for the {{election_name}} was received on {{ballot_received_date}} from {{precinct_name}}. It was set aside for the reason below. This is fixable, it is free, and it takes a few minutes.

Reason set aside	{{cure_reason}}
Ballot received	{{ballot_received_date}}
Cure deadline	{{cure_deadline}}
Precinct	{{precinct_name}}
Ballot identifier	{{ballot_id}}

How to fix it.

- Complete and sign the affidavit at {{cure_form_url}} and submit it online — fastest, and you get a confirmation.
- Sign and return the enclosed affidavit to {{election_office_address}}. It must be received, not postmarked, by {{cure_deadline}}.
- Bring photo identification to {{election_office_address}} in person before {{cure_deadline}}.

What happens next.

Once your signature is verified, your ballot is counted with every other ballot. You can confirm it at {{ballot_tracking_url}} using ballot identifier {{ballot_id}}. If we do not hear from you by {{cure_deadline}}, your ballot will not be counted in this election.

If you did not vote by mail in this election, or you believe you received this notice in error, call {{election_office_phone}} immediately.
